## Health Educators, Inc. Bloodborne Pathogens

Keeping your studio compliant with OSHA's ever-changing rules (and safe for your staff) is a never ending headache. But your job just got a lot easier thanks to this in-depth industry specific course. "Bloodborne Pathogens & Principles of Infection Control for Body Modification Establishments" is by far the most comprehensive industry-specific Bloodborne Pathogens training program currently available for body modification practitioners. This course meets federal and state-specific requirements for annual bloodborne pathogen training. It also features a comprehensive update on the very latest changes in OSHA rules and regulations with intensive training in solid, real-world solutions for maintaining OSHA compliance within your studio.

The *Bloodborne Pathogens & Principles of Infection Control for Body Modification Establishments* course is being offered at a special convention rate of \$125.00 per person if pre-registered by October 24, 2008 or \$150.00 at the door. The course includes all necessary materials, copies of industry-specific OSHA interpretations, product samples, and a certificate of completion. A \$50.00 non-refundable deposit is required for each attendee. Full payment and deposits can be paid via money order, certified check, or credit card. We request that all participants pre-register to ensure enough materials are available for all attendees. Pre-registered participants will be guaranteed course space; all others will be welcome on a first-come-first-serve basis, as the availability of materials allow.

**Sunday, NOV 2<sup>nd</sup>, '08, 1-5PM  
(Pre-Registration - \$125.00  
At the Door - \$150.00)**
